To whom it may concern

Herewith I declare that, as a long standing member of ATEE, I fully support the candidature of Mrs. Joana Salazar, from the University of the Balearic Islands, to become a member of the AC within the Association for Teacher Education in Europe. Mrs. Salazar has been an active member of the association, acted as chair of a Research and Development Centre within the association and is Co-chair of the 2009 Conference in Mallorca.
